BRITTANY LOVE

LIFE'S A BEACH FOR GEORGIA PEACH!

Tanned, toned bodies gistening with a sheen of sweat gasps and panting evidencing extreme physical exertion, grunts and groans as two perfect strangers push themselves beyond the imits, a high pitched squeal as a female voice urges. "O God, yeah-fuck my big tittles, please!" When bra-busting Atlanta-born strip star Brittany Love headed down to the Caribbean intending to do her last-ever hardcore fuck scene exclusively for *Gent*, we knew the action would be intense. We just dign't readize how intense!

Of course, we've come to expect 110% from this little lady with that magnificent 40000-24 36 chassis—and when she announced her desire to sign off her hardcore humping career by seducing a perfect stranger on a trop cat shoreline we never doubted she would

The lucky guy she found was called Rod. He put up no resistance when Brittany made her carnal intentions plan. He told us he'd traveled to this exclusive beauty spot to brush up on his painting technique, but the moment Brittany nuzzled her face into his crotch Rod lost all interest in aesthetic endeavors, choosing instead to succeed to the seductive charms of this stacked bikini babe. His fingers outched at her builging bosom, hands overflowing with those full firm thrillers. Brittany was on the money when she'd espied her prospective conquest stroling along the sand—this guy Rod was a tit man through and through?

His hunger for her huge hooters was unrelenting. Any chance he got Rod licked sucked and squeezed Brittany's brimming boobage. To her delight his prick emerged

erect and upright as Brittany took it deep between her I quid lips before sinking her slick sexpit onto his rigid rocket and riding him hard and fast.

The coupling of these two frenzied fuckers was never going to want for abandon and sexual stamina but even Brittany found herself marveling at this stranger's sheer relentless powerhouse pussy pounding. As proasms joited her from head to toe, as he

ing. As orgasms joited her from head to toe, as he drove his dick into the depths of her shatch—even invading her tight asshow briefly—Brittany realized she was bowing out of XXX action in fine style.

She still held one last card to play though—and as Brittany pushed her gi stening globes around Rod's super-sould shaft she knew this was her ace in the hole! It was time for this funbag freak to lose it completely. The smooth embrace of her jugs on his joint unleashed his deepest desire. Suddenly Brittany was on her back on the sand gleefully cramming her gazongas tighter on Rod' lunging length as he humped her honkers like his life depended on it. Yeah she thought, he's going to give me everything he's got. Sure enough, with a roar of release Rod deluged the legendary Love muffins with gusher after gusher of thick creamy goo.

As her conquest crumpled in exhaustion Brittany savored the streams of spunk tricking over her swollen sacks and dripping from her tingling teats her pussy still throbbed from the funous fucking it had had and the last orgasmic pulses ebbed from her as a bri last sunset illuminated the idyluc scene. As filthy farewells go this one would take some beating.

CASSANDRA

ho ce-chested Cassandra emerged from Eastern European obscurity to establish herself as one of the finest big-boob porno talents seen in many along year. When she made her American debut in the 2001's introducing Cassandra, we were overwhelmed by an available of mail from connoisseurs of killer cans proclaiming her the first big busty phenom of the 21st Century.

It was a verdict with which we feel heartily inclined to agree. After all, not only did this sublimely stacked Slovene exhibit lush 38DD-28-36 expanses of undulating flesh, she also had a profound passion for pecker packed into every exciting nich of that 5'4" frame. She may have seemed lazly languid at first, but the instant you placed a slab of dick in front of her she changed. Her eyes I trup, her in pples hardened and it seemed every ounce of her being was channeled wholly into pleasing that prick land having that prick please her. What's more, she invariably displayed a thorough knowledge of what nasty things she could do with her weighty whammers on a wang!

Cassandra was soon virtually a fixture on the West Coast hardcore scene for a year or so, before orcumstances too complex to detail here saw her returning to Ceije, her Siovene hometown, where the natives—recognizing her success—hailed their local gallmade good. Back in Europe and far out of reach of the forces of repression over here, Cassandra felt it only right to showcase her appetite for extreme action at its absolute nastiest. In no time at all, she was abandoning herself to the jizz-drenched arena of the **German Goo Girls** continental cum-orgies. And monumentally sord dit was, too

"Ifeel, hey, what the fuck? Europeans are free to express sexual desire, so why not express those crazy deas I had so long?" she insists when we ask how she's making out back home "'m very much loving being in Europe!" Cassandra replies cheerfully in that heavy accent, "I came to the USA to become known, and be noticed by the men who love women big breasted and it ing to fuck. That was what happened—ail day I was having so many offers to come make videos enjoyed myself so much. The sex was fantastic too. I never dream to meet so many sexy people and fuck with them!"

Her remarks may draw attention to something several critics noted regarding Cassandra's screen presence. "Yes, I know my English was not good," she recalls with a shrug and a smile, "Always I try to earn. People think it doesn't matter because it's sex films we're making. But you know, I think it's right to try learning the language of where you live. Because even if I love sex every hour of every day, have to live I ke a normal person when I'm not making movies if the only words know are "fuck me, studi" how can that he plat the grocery store? Actually, I can see how that could be useful, can't you?"

But in front of the lens is where Cassandra feels most at home. A chance to ut ize her phenomenal physique to the limits of icentiousness is of especial importance to her. If in his its so great people overmy boobs so much, if she puriskly a pampered pussy, if use them to make my menicum always these days. I figure I'm the absolute hottest titfucker whatever side of the ocean I'm ont."

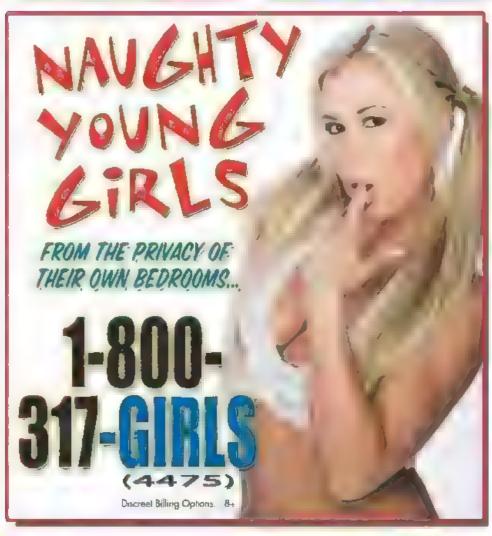

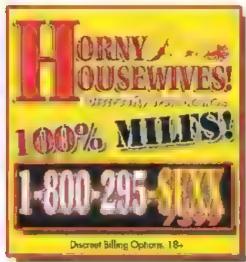

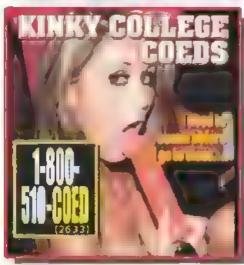

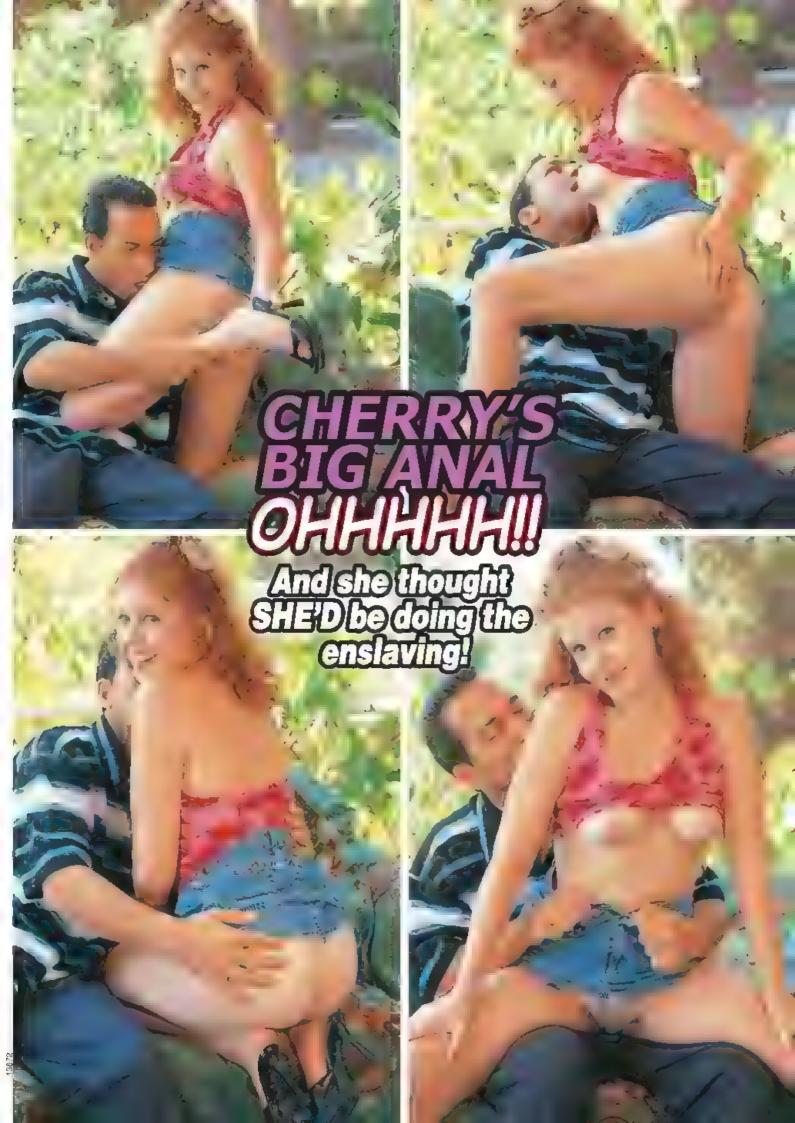

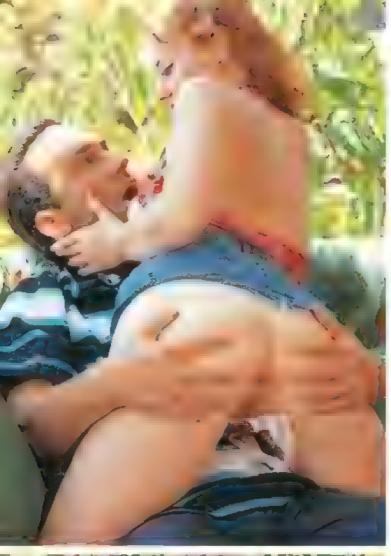

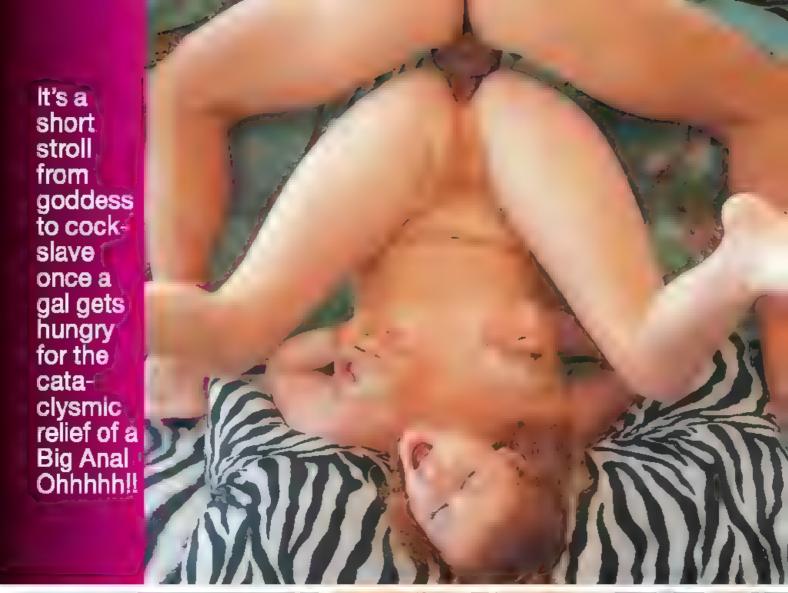

herry Poppens started out wanting to show our photographer how easily she could ensiave experienced porn stud Dino Bravo, but after a few minutes, the tables were turned! True, saucy Cherry had the situation well in hand at the beginning, letting Dino nibble at her soft white fiesh, suck on her darling pink nipples, and then taking his stiffening cock into her mouth. But the way he started stuffing his finger into her asshoe while klasing her did something to Cherry, set off little explosions in her crotch, and soon she and her lovely girlie cheeks were the willing slaves of Dino's dark thrusting meat.

Cherry's earlier plan was to get Dino to pop first, and so it was a big surprise when she found herself on an express to the Big Anal Ohhhhh well before Dino was done. But it was a happy turn of events, of course, as she held onto her lovely red public patch as if it were a lifeboat in a sea of churning climax—and as she let loose with passionate cries and came with sweet force and gigg ing relief all over Dino's cock! And oh yeah, Dino eventually came too!

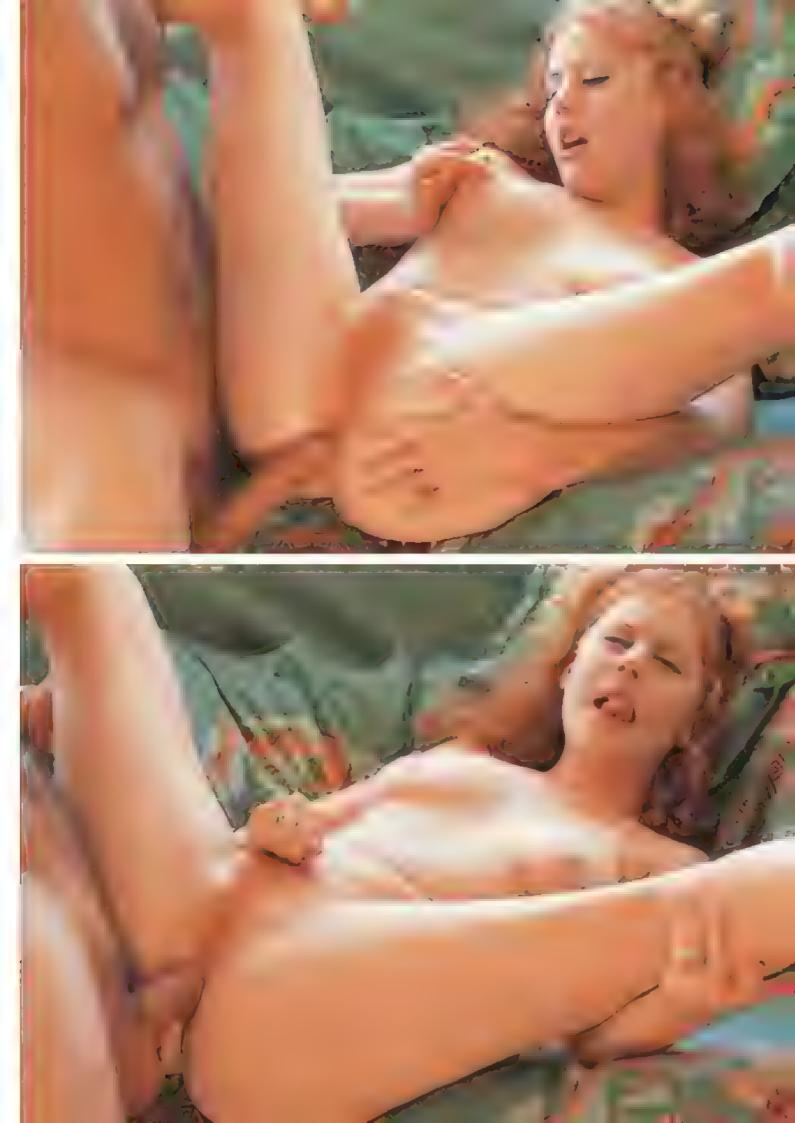

nce a guy gets his hands on Alexis's rippling all-natural rack it's only a matter of time before he indeed his prick in her peachy pussy—and that need will be reciprocated in spades! "I expenence all kinds of sexy sensations whenever a man caresses me a over" sighs the raven-tressed 25-y-o usty lassie of Scottish-Spanish extraction. "When there's strong hands playing with my assland squeezing my big bouncy boobs the sensual excitement shoots right through me. My nipplies get hard and I can feel the ache in me. I need to get licked and sucked land that's all it takes to get me so incredibly aroused that I've got to be fucked and fucked really good!"

And the evidence is here for all to see. This wanton wench eagerly offered up her 5.6" 124 lbs. and 38DD-26-36 goodies for nasty attention with zero persuasion. When she showed for her shoot sheld only agreed to pose solo. But once our photographer started snapping her urge to be outrageous, rapidly came to the fore. "I was in such a horny mood that day!". Alexis snickers shamelessly, "When I saw my tity-squeezing and fingerfucking my wet pussy had given the photographer's assistant, Chris, a big stiffy I suggested we try something more exciting. Everybody decided that was a great idea!"

This represented the achievement of a cherished dream for her. The pneumatic hymph had never made any secret of her love for hasty sex. With those bewitching dark good looks, fine womanly figure plus, of course, those spectacularly sized 3BDD johnson-jackers, Alexis had no difficulty ever finding dudes happy to help her slake her need for fast and funous fucking.

After another Friday night thri -fuck, Alexis found herself relaxing by viewing selections from her pickups porno collection. "Oddly enough, I'd never watched that much hardcore stuff," she reveals, "I guess id do much screwing myself I never had an urge to watch other people doing it! We I, while we were watching some movie or other this guy remarked that I ought to try my luck making sexificks. That kind of fipped a switch in my head. If thought, getting balled on camera had to be more fun than the job I had working in a medical lab. That was the moment ideo ded to see how far my talents could take me!"

The answer would appear to be—some way! After Chris and our cameraman bestowed on her a bout of boob teasing Alexis's need for nasty sex was evident. Her judy cooze self-lubed in a slick most flow of desire. No man can resist that tangy twal and Chris devoured her hot hole while Alexis engulfed the shutterbug's rod with her liquid lips. "Any time I suck a cock if feel so slutty!" she gasps in breathy delight, "I was raised to be a good gir who never had wicked thoughts ever so to actually have a dick in my mouth—that's so bad! I know that's exactly why I love to suck cock so much."

Alexis couldn't stem the rising need to have her poontang plugged." lost control!" she confesses, "I do love being fucked relentiessly. If any man packs it to me fast and deep it sets me on fire inside. I feel like their cocks are controlling me, as they thrust into my cunt and my mouth like machines designed to give pleasure. My pussy spasms like mad, my boobs liggle from side to side—sweat trickies off of them.

"I fee the energy of my orgasm starting to build," confesses Alexis breathlessly, "And the energy swells up bigger and bigger till I can't contain it any more. When I cum you know a labout it—I can't control my actions or now loud I I yel!"

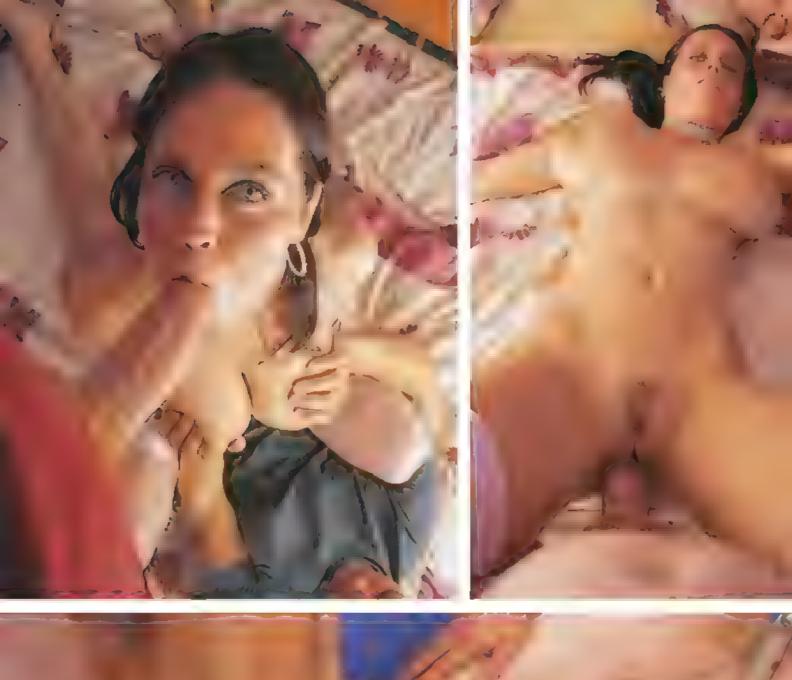

And after such a thermonuclear thrill how does Alexis prefer to reward her studs? "By letting them do whatever gets them off the best," she smiles, "Usually I push my big bazooms together and have them jizz my tit crack. Men love banging my big boobs—especially when I tell them I want them to shoot the ristuff anywhere they want."

Alexis savors her sublime sex games with the rapture of a genuine XXX fuck slut. "That's how—like a fuck to end," she reflects dreamly "With me all drenched in my men's sperm. With it dripping off my lips and sliding in thick sticky pools down my double-D knockers. Yeah, that's how to leave me. cum-drenched and utterly satisfied!"

BUSTY COED CUMBUNNY!

VALERIE FIELDS

LONESOME STRIPPER'S BIG BONER BEDIMATE!

tripper star Valerie Fields understands how lonely it can get on the road. That's something we guys perhaps over ook when we go to our local club to catch a visiting stacked feature star. Sure, we whoop it up and holler with appreciation as the doll shucks off her brimming braiand wobbles her whammers in our flushed and happy faces. And when the show's over we head home feeling inspired by the lady's lusty performance, maybe nursing a chubby choad and wondering whether the wife feels up for a little late night lovin'

But what of the busty babe that's excited our arousal? Is there anyone around to cater to any carnal cravings shaim ght have? Once she's tossed her stage props and costumes in the car, bid goodnight to the club staff and got into something more comfy than a sequined thong she'll often find herself all alone in a strange town far from home. She's hungry as heil, seeking out the one diner that serves food after 2 aim then checking into to the motel that interior design forgot to grab some shuteye ahead of the long drive to her next gig tomorrow. The life of an exotic dancer suddenly doesn't seem so exotic, does it?

Vaierie knows this scenar o all too we "That sounds fam liar!" she agrees, "Of course now most name features will take a roadie with her you need to with shows getting more and more complex. But everyone has those kinds of nights somewhere down the line. You find yourself stuck in some helihole notel and feeling blue. What you really need at times like that is a big dumbilling of a hunk like Blane here!"

Ahh, we wondered when we diget to him. According to Valerie, the bury ex-USMC studies precisely the kind of cocksman she'd choose to help her pass a night in a strange burgh. "I found him in just that type of town," the 5.8", 36DD-23-34 bosomy brunette confides proudly, "can't even remember the name, but it was down South somewhere—the kind of place that specializes in beefcake rather than braincells. Which suits me, because diever conversation's the last thing in need!"

Vaierie's finds thris aplenty in encounters, keithis "I'm a performer in the sack for sure!" she chuckles, "I can't get off on lying there as the guy grinds away. I want to stoke the fire as high as it'l go— I ke being ioud, taiking dirty. I I ke looking into his eyes as he's fucking me and teiling him the stuff, want him to do. When he sucks on my tittles I' tell him he can fuck them if he wants—once he's gotten me off! That's how, was with Blane, and you can see my incentive worked!"

Uh-huh, she knows what presses the right buttons for us hooter hounds! "C'mon, with boobs big as these you think I don't get 'emboffed?" Valerie purss, embracing Blane's log with her ripe rack, "I' admit I never really got the appeal for guys at first. But I soon caught on I saw how hard and horny guys got if they got their thing between them. And I saw the huge loads they biew for mell Guys are into the visual's deligible. There's not much gets you happier than giving a big pair everything in your balls, is there?"

Valerie tightens her silky titty-tunnel around her stud's schlong and jigges her julcy jugs to add extra friction. "You boys, huh?" she sighs happily, "If there's ever a chance to be super-hasty you always give it extra. Still, that only makes my hights go even better!"

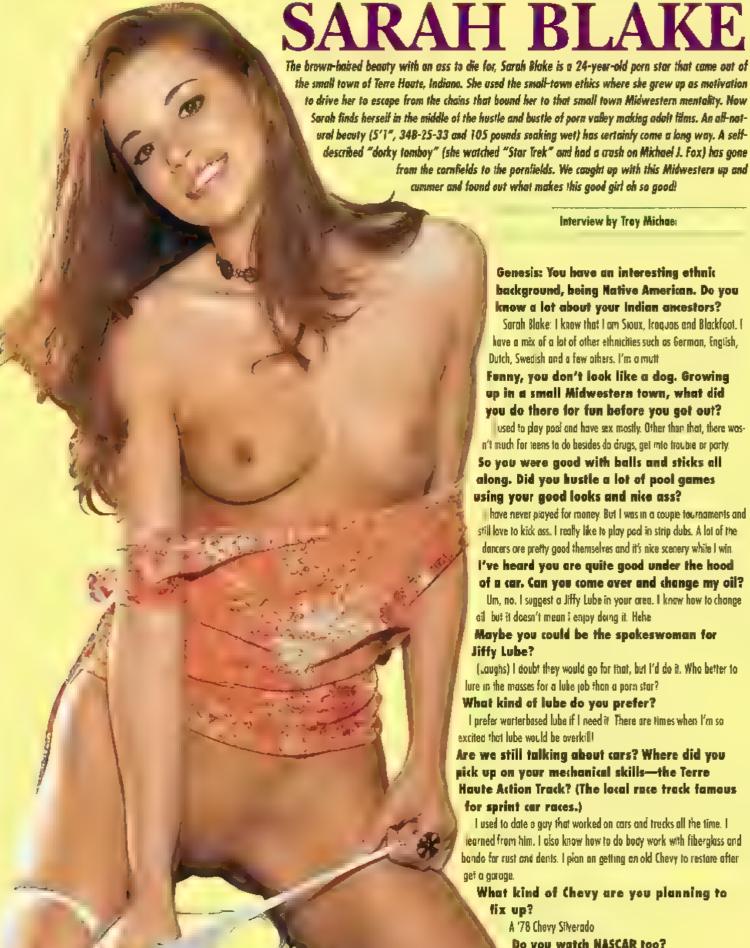

Interview by Troy Michael

Genesis: You have an interesting ethnic background, being Native American. Do you know a lot about your Indian ancestors?

Sarah Blake: I know that I am Sioux, Iroquois and Blackfoot, I have a mix of a lot of other ethnicities such as German, English. Dutch, Swedish and a few others, I'm a mutt-

Funny, you don't look like a dog. Growing up in a small Midwestern town, what did you do there for fun before you got out?

used to play pool and have sex mostly. Other than that, there wasn's much for teens to do besides do drugs, get into trouble or party.

So you were good with balls and sticks all along. Did you hustle a lot of pool games using your good looks and nice ass?

have never played for money. But I was in a couple tournaments and still love to kick ass. I really like to play pool in strip dubs. A lot of the dancers are pretty good themselves and it's nice scenery while I win.

I've heard you are quite good under the hood of a car. Can you come over and change my oil?

Um, no. I suggest a Jiffy Lube in your area. I know how to change

Maybe you could be the spokeswoman for

(Laughs) I doubt they would go for that, but I'd do it. Who better to lure in the masses for a luke job than a parn star?

I prefer warterbased lube if I need it. There are times when I'm so

Do you watch NASCAR too?

Yes, I used to listen to it on the radio and watch it when they had a race. I usually watched the last lap though.

You can also drywall a house I hear. Are these careers to fall back on?

Not really, just things I learned to do growing up without maney to pay someone else to do it. I plan to use the remodeling skills to fix up homes and self them.

If you worked on a construction site, the boys wouldn't get any work done. What would you do to get them motivated?

I'd tea them that I would wear a white T-shirt the next day and they could have me down if we get our work done for today

So we're guessing you were a tomboy?

Yery much so, I was always climbing trees, outside doing something that girls usually didn't do. I never wore skirts or dresses

How did you pry yourself away from the small town and working on cars to get into pern?

I moved to Memphis and entered an amateur strip contest and wan—then another one, and I wan again I decided to dance for a while. While dancing at the local club, I mell a girl that modeled in men's magazines and asked ther how she got in. She told me that you just go and do it. I didn't quite believe her, but researched as much as could on the Internet. There isn't much good info, but there are ads for agencies so I contacted a few. Off to L.A. I went and here I am today.

You've been in the porn industry about two years now—what's the biggest thing you have learned?

I've learned about my body and what's going on with it sexually I know what I'm capable of and gain confidence from that. I never thought I'd ever be a porn star. I always wanted to be a model

What are some favorite movies you have made?

Some of my fovorites include Barely Legal #46 (Hustler), The Eage (Hinn Work), Girl on Girl (Red Light District) and Drive (Vivid)

Do you watch your own poin?

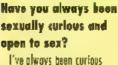

Sometimes I worth my scenes to see how it all turned out. It's not easy for me to worth myself because on too critical

Do your folks know what you do?

My main and my brothers all know what I do My father passed away when I was still a boby. They are very supportive and understanding. As long as I'm tappy and safe they have no problem with what do for a living.

What is the best part about working in porn?

I've always been curious and open to new things, it keeps things exciting. I have had beyfriends that can't keep up with me.

So you were the neighborhood tease back in Indiana?

I was actually the stry book worm, the dorky tomboy, the

Being sexually fulfilled without all the drama
